Board Action Details 08/12/2020 PERMANENT SURRENDER REVOCATION - Permanent revocation of osteopathic training certificate to practice osteopathic medicine and surgery, authorized by the doctor in lieu of formal proceedings related to the factual and legal allegations set forth in the Notice of Opportunity for Hearing issued on or about July 10, 2019. Agreement effective 8/12/2020. Revocation effective immediately.

07/10/19 CITATION - Based on: the doctor’s admission to making anti-Semitic comments on social media, and then subsequently deleting the comments and falsely claiming that she was being framed for having made those comments; and on the doctor’s 2/4/2019 sworn statement containing false statements; and on the doctor’s 7/1/2018 resignation in lieu of termination from her internal medicine residency at the Cleveland Clinic, which became effective 10/18/2018; and on the doctor’s failure to disclose during an interview with the Kerns Medical Center in California that her resignation was based on her discriminatory social media postings. The doctor’s actions, as alleged, would individually, and or collectively, constitute: making a false, fraudulent, deceptive, or misleading statement in the solicitation of or advertising for patients; in relation to

the practice of medicine and surgery, osteopathic medicine and surgery, podiatric medicine and surgery, or a limited branch of medicine; or in securing or attempting to secure any license or certificate to practice issued by the board. Notice of Opportunity for Hearing mailed 7/11/2019.
